

## WORKING

### For Big Time Labor Day.

### C. L. U. Held a Busy Meeting.

### Boot and Shoe Makers to be Organized Soon.

Among the things which were considered by the Central Labor union at the meeting held last night, was a plan for the preparation of the Labor day celebration this year. It is, of course, desired that a big celebration, with parade, and contests of various kinds, be held in the vicinity, but the Central Labor union realizes that all this will cost money and a plan has been set on foot to ascertain how much money will be forthcoming.

Circular letters have been printed, and these will be sent to all of Akron's merchants and other public spirited citizens, from whom contributions for Labor day will be solicited, or, if no contributions may be expected at this time, a statement of what the C. L. U. may expect later in the season will be asked. The letter will be signed by J. J. Mahoney, president, and the secretary.

The boot and shoemakers of the city will next receive the attention of the C. L. U., and an effort will be made to organize them almost immediately. Mr. John A. Winthrope was given constitutions and by-laws and full instructions to go ahead and organize these workers, at the meeting last night. Reports from the various unions of the city indicate that all of them have been doing well; the street railway men spoke encouragingly of their conditions; the patternmakers state that their union is more prosperous than for 10 years, and an open meeting will be held by the Hodcarriers' union next Thursday night at Young's hall. All union or non-union men in the city are invited. Among the speakers will be Mr. Max Hayes, editor of the Cleveland Citizen, the official paper of the C. L. U. in Cleveland and John A. Winthrope, of this city.

The matter of members of various unions of the city visiting each other, and trading ideas or acquiring new ones was taken up by the C. L. U., and approved. A spirit of greater fraternity among the different trades unions will be encouraged as much as possible.

Business Agent Hobby, of the Waiters' union, of Cleveland, and Secretary Mike Goldsmith, of the State Federation of Labor, were at the meeting, and the latter spoke interestingly on "Benefits of Organization" from a union standpoint.

W. B. Taneyhill was selected a delegate to the convention of the Typographical union, which will be held in Cincinnati in September.

### Like a Drowning Man.

"Five years ago a disease the doctors called dyspepsia took such a hold of me that I could scarcely go," writes Geo. B. Marsh, well known attorney of Nocona, Tex. "I took quantities of peppermint and other medicines but nothing helped me. As a drowning man grabs at a straw I grabbed at Kodol. I felt an improvement at once and after a few bottles am sound and well." Kodol is the only preparation which exactly reproduces the natural digestive juices and consequently is the only one which digests any good food and cures any form of stomach trouble.

### TRUSTEE

### Sues Mrs. Force to Recover For Creditors.

Attorney Edson C. Webster, as trustee for the creditors of Waterman & Force, the Barberian contracting firm that failed last winter, has started an action against Savilla Force, wife of one of the members of the firm, to recover \$2,000, claimed as part of the assets of the firm. The plaintiff alleges that within the past year she built a house, a large part of the material for which was furnished by Waterman and Force. He holds that the material was not paid for, and that the creditors are entitled to the amount of the cost of the material.

### OFFICERS

### Chosen by Christian Missionary Society.

Columbus, O., May 23.—The Ohio Christian Missionary society elected the following officers: President, Rev. J. G. Slayter, Akron; first vice president, M. L. Bates, Warren; second vice president A. M. Harvoo, Cincinnati; recording secretary, W. A. Harp, Springfield; corresponding secretary, S. H. Bartlett, Cleveland; treasurer, A. Teachout, Cleveland (re-elected); auditor, H. E. McMillan, Cleveland.

The next annual meeting will be held at Lima.

### NO MONEY FOR SHATTO

### Board Refuses to Pay For Saving of Cady's Life.

The City Commissioners have refused to pay Dr. Shatto's claim of \$2 for saving the life of Geo. Cady. Dr. Shatto, speaking of the incident, said Thursday, "I am not surprised that the Commissioners should get rattled over the bill, as they are doubtless disturbed by the volcanic mutterings now going on in the affairs of the city. The facts in the case are as follows: Late on the evening mentioned, I was called into a drug store in South Akron, at the instance of a policeman, to attend Cady, who had been brought there by the officer. I attended the man, and my bill was made small in consideration of the financial stringency of the city. The bill was made without regard to skill or responsibility."

### A REFORM WHICH FAILED

### His Honor Was Sidetracked by Prosecutor Wells.

Mayor Wm. B. Doyle, when he opened Police court, Thursday morning, evidently realized that the many questions which are asked some of the prisoners arrested for intoxication are entirely useless and a waste of time, and when the first case for intoxication was called, and the prisoner pleaded guilty, His Honor said, "82 and costs," while Prosecutor Wells was mentally framing a list of questions to ask the prisoner, and the case was closed.

The Mayor's effort to make time was vain, however, for when the next prisoner was arraigned, Mr. Wells was waiting for him, and the usual formula was gone through before the Mayor had time to impose sentence.

### COMMITTEES

### For Gun Club Shoot, Decoration Day.

Committees to have charge of affairs at the grounds of the Akron Gun club on Decoration day were appointed at a meeting held Wednesday night, as follows: The office will be in charge of Messrs. R. B. McNeil and J. Ed. Good; referees, C. A. Williams and W. W. Wohlwend; scores, E. M. Beck and C. A. Joy; squad hustlers, J. W. Dunn, John Peter, Dr. C. A. Dixon, R. T. Dobson.

The team was selected as follows: Hull, Barber, Wagoner, Bradley, Dunn, Joy, Dobson, J. K. Williams, Sumner, C. A. Williams, Messrs. Wohlwend, Oberlin, Russell, Beck, Bennett and Hires were chosen substitutes.

In addition to the list of events already advertised, the club has arranged a consolation match for those who fail to win in the merchandise events. There will be five prizes and no entry fee will be charged.

### DIVORCE MATTERS.

Mrs. Isabel Rudy, of Akron, has applied for a divorce from Daniel R. Rudy. She accuses him of gross neglect, and other alleged inconsistencies. Another action for divorce is that of Mrs. Josephine Fisher vs. Wm. S. Fisher. They were married Dec. 17, 1898. She accuses him of gross neglect.

Attorney Orlando Wilcox has been appointed referee in the divorce case of Grace Ray Kent vs. Joseph E. Kent. Her husband is under sentence of one year in the penitentiary, on the charge of forgery.

### Serie-Comic Ending to a Fishing Trip at Long Lake.

What might have been a very serious matter, but which ended in two persons being considerably frightened for a short time, took place at Long Lake, Thursday. Manager Ralph Isenhardt, of a local lunch room, went fishing on that day in company with a young lady. They secured a boat, and were fishing close to the dock at Long Lake park. The young lady was standing with one hand on the dock looking into the water, and did not notice that she was pushing the boat farther and farther away, until she lost her balance and fell in the lake. Mr. Isenhardt, with great presence of mind, jumped in after her, not knowing that the water was but a few feet deep, and both the young people then clambered out, with no more serious damage than a ducking.

### Great Western Band, Lakeside Park Sunday.

### WELL PLEASED.

### Health Board Members Think Water Is Much Better.

Members of the Akron Board of Health are more than well pleased with the steps that have been taken by the Akron Water Works company to improve the condition of the water supplied the city. The new wells continue to furnish more and more of the water used and more wells will soon be ready for use.

"The water is already much better than it was last year," said Health Officer A. A. Kohler, Thursday morning.

### TO CHANGE

### Name of the Police Pension Fund.

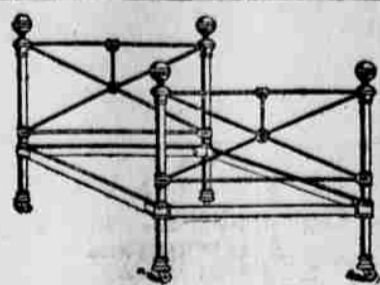

At the special meeting of Council Wednesday evening an ordinance was introduced to establish a Police Pension Fund. This Fund is practically the same as the Police Pension Fund. The passing of the ordinance is necessary to comply with the new law enacted by the last Assembly. Under the old law, the Fund was maintained by revenue from foreign insurance companies, but it is now dependent upon the general duplicate of the city. The ordinance was tabled until the next meeting.

### The Way That Women Work.

It's enough to wear any one out. First it's washing, in damp and draft. Then it's ironing with the hot stove and the hard work to endure. And in between whiles, meals to get, house to clean, and children to tend. It's bad enough for a well woman but for a weak woman it's slow torture. Dr. Pierce's Favorite Prescription cures the diseases of the delicate organs which weaken women. It makes weak women strong and sick women well. Sick women are invited to consult Dr. Pierce by letter, free of charge. All correspondence strictly private. Address Dr. R. V. Pierce, Buffalo, N. Y.
